The Shareholder Commitment (please read and sign below)

- I realize that I will share in the risks and rewards of farming. As such, there is no guarantee of the amount of vegetables I will receive, and variety and quantity will vary depending on time of season and by weather throughout the season.
- I understand that once the season has begun I may not be able to get a refund if I change my mind or in the event of a natural disaster.
- I understand that I am purchasing one season's harvest and am not buying ownership to the farm or its property or equipment.
- I (or family/friends) will come to my permanent distribution location at the appropriate times. For non-emergencies (scheduled events like vacations), I will provide 1 week warning or forfeit the share. Within two weeks of a missed share an optional make-up share will be allowed. Make-ups are also allowed for missed shares due to emergency situations.
- I agree to support the farm by paying my share costs on time. I have enclosed either my full share amount OR a 50% deposit in which case I will pay the remaining amount by July 28, 2008.
